Re: The Veazey Family Gifting Trust

Dear Mr. Thomas:

On May 29, 2012 I wrote to you, as attorney for Joseph J. Beckett, on behalf of my client Donald B. Veazey, a named beneficiary of the Veazey Family Gifting Trust (the "Trust"). I have not received any response from you, although an email you sent to John Ryan, Esq. on June 1, 2012 indicates that you received my letter.

In my letter, I pointed out that the trustee of a Virginia trust is required to provide beneficiaries an annual "report of the trust property, liabilities, receipts, and disbursements, including the source and amount of the trustee's compensation, a listing of the trust assets and, if feasible, their respective market values." § 55-548.13(C) and to "promptly respond to a beneficiary's request for information related to the administration of the trust." § 55-548.13(A).

With respect to the latter requirement, I posed seven queries:

- A. Please provide information on all expenditures made by the E. Alberta Veazey Family, LLC since March 1, 2011.
- B. Please provide information on all current assets of the E. Alberta Veazey Family, LLC.
- C. Please provide information on any changes in investment policy or strategy with respect to the E. Alberta Veazey Family, LLC since March 1, 2011.

D. Please describe the current status of Nationwide Annuity Contract No. 01-6049490 since September 30, 2011.

E. Please describe the current status of LPL Financial Account No.5451-7282.

F. Please provide copies of the most recent tax returns of the E. Alberta Veazey Family, LLC.

G. Please provide information on all payments by either the Trust or the E. Alberta Veazey Family, LLC to Mr. Beckett since March 1, 2011 and indicate the basis for any such payments.

I requested that you provide information within fifteen days. I wanted to know if your client has any intention of answering either the specific questions posed or providing an accounting. My client has requested similar information for some time. As you may know, the LLC and trust were established for specific estate planning and asset protection purposes. There is reason to believe that the current trustee, by action or inaction, may be placing the goals of the trust and LLC at risk. For this reason, a prompt response is necessary.

Very truly yours

David Charles Masselli
